From the President ...

Dear Performers and Supporters,

Welcome to our June Edition. The Committee is already working hard to put on this year's Event. We would certainly welcome new faces to our wonderful band of volunteers to ensure continued growth and success of this unique Competition.

We cordially invite you along to the AGM on July 31st when various positions will become vacant and new sub-committee positions created!

We may not be able to continue the Competition into the distant future without further support and new fresh faces so please speak up now!

Once again thanks for the 10 years of interest we have had to date; it has helped this unique event 'exponentially'.

Please email us at info@bmtc.org.au if you know anyone who would be able to help out.

The friendships I have made during the past 10 years are FOR LIFE and I guarantee you will not regret any decision to come on board and have a say! This is Brisbane and we stick together here and NO other CAPITAL CITY can boast such a POPULAR event of this sort so let's be proud of it!

I trust your singing is going well and your song preparations for the Auditions are making good progress.

On behalf of the BMTc, I wish you all a successful Audition.

Cheers

Janette Kircher

Joined by Chris Fennessy (star of London's West End production of Les Miserables), close to 30 of Brisbane's leading musical theatre performers will be showcasing their individual talents to help raise funds for Opportunity International. More than a concert event, our performers will be utilising acting, costumes, staging and dance to present some of the most dramatic, challenging, moving, and entertaining songs from the world's most loved musicals.

100% of each ticket sold will be donated directly to Opportunity International to help alleviate poverty in the developing world.

Jointly sponsored by the Brisbane Musical Theatre Competition (and featuring several of its most popular and winning entries), this will be a theatrical experience not to be missed!

Sponsorship

Sponsorship can be a very beneficial thing, a very tangible win win for all concerned. By giving, a sponsor will get back new customers, gratitude from the beneficiaries and a good feeling of having helped.

On TV we see expensive ads from CARE & AUSTCARE; images of starving African children with fly blown faces and our hearts stop and tears come to our eyes. So, we dig deep and give. The kids get fed, we feel good!

OK, we at BMTC are not starving and we can't afford expensive ads but like the African children we need money so that you and the rest of the Theatre loving public of Brisbane can see people perform on the stage.

We would like very much for you to help us and in turn we can help you.

Regards
